ULTRA GENTLE GENERAL USE	<p>CARE</p>	<p>Shampoo</p>

Thanks to its action, Ophytrium:

- ✓ Maintains the mechanical barrier for supple, lastingly hydrated skin
- ✓ Preserves the protective microbial flora for healthy skin
- ✓ Helps reduce irritation for soothed skin

Soap, sulphate, paraben, colourant, phthalates

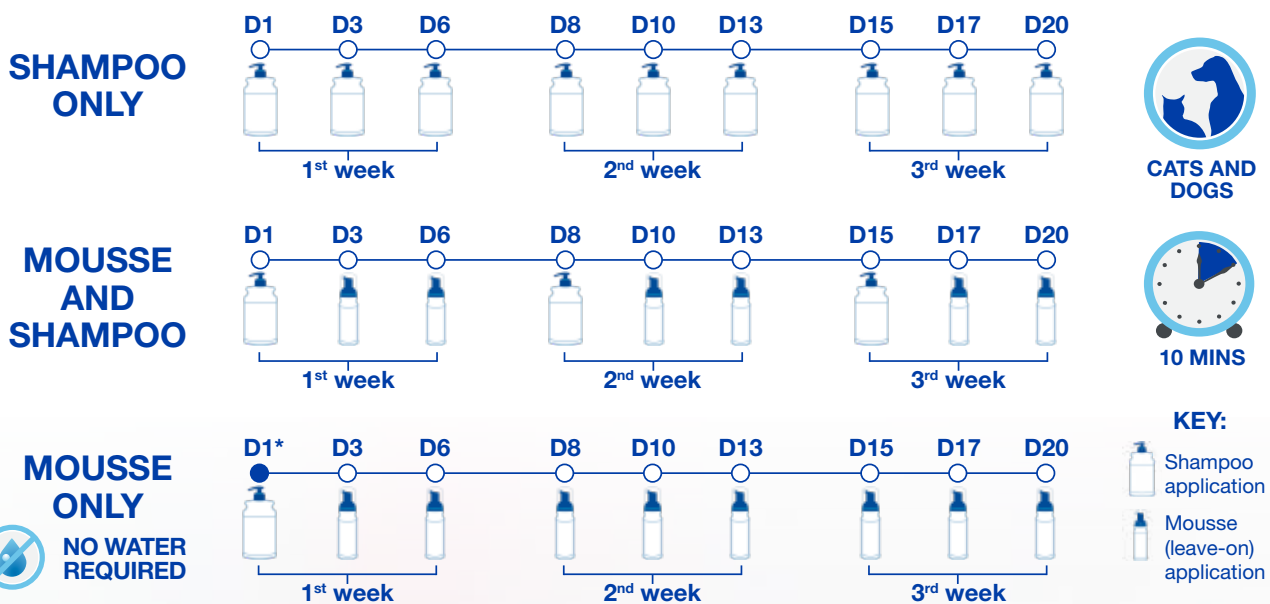

FREE

Hypoallergenic fragrance

Adjusted pH for promoting a rich and diverse microbiota

*Ideally one shampoo at start of treatment period as per validated protocol. Vet to decide at time of purchase whether a mousse only protocol (with no initial shampoo) will improve compliance.

MOUSSE (150ml)

Bodyweight	5kg	10kg	20kg	30kg
Number of pumps	1 per kg	1 per 2kg		
Number of applications per bottle	40	40	30	13

SHAMPOO (200ml)

Bodyweight	5kg	10kg	20kg	30kg
Number of pumps	1 per 2kg			
Number of applications per bottle	33	20	10	7

- 10 min contact time for shampoo
